MARCH 1980

NOVEMBER 1986

This issue marks the 50th Anniversary of Gent magazine. Since the first issue in September 1956, Gent has gone through numerous metamorphoses. It wasn't always the big-tit blockbuster that it is today. Originally titled *The Gent – An Approach To Relaxation* it was obviously first produced to cash in on the stir created by *Playboy*, whose first issue was produced less than a year before.

With feature titles like "The Treasure of Juan Sierra" and "The Eternal Leg Art" and fictional pieces written by the likes of Norman Mailer, the early Gent was more a men's lifestyle magazine than it was a "titty" book. However, that first issue did feature a two-page layout of the legendary Bettie Page; so it was definitely heading in the right direction from the get go.

I wasn't even born when the first issue hit newsstands. I first discovered tits when I found a box filled with my dad's collection of Playboys hidden in the basement, up high on a shelf. I think I was about 12 years old. Thinking back, I believe that that was *the* defining moment of my becoming a big-tit lover. In those days most of the models in Playboy had nice, big, full, natural boobs. Those magazines got me through puberty. Well, them and a girl named Ellen who was a few years older than me and had a pair of the biggest tits I have, even to this day, ever seen. She watched my younger brother and me while my mom was at work. That was my summer of *Truth or Dare* and *Strip Poker*. Ellen spent a good deal of time with her huge tits in my face. Ah… young lust!

But I digress… When I was about 16, I discovered a smoke shop in my town. I don't know what made me wander in there, I didn't smoke, but once I found it, I was a regular. They had rows and rows of tables with stacks of every magazine you could think of. Not racks, but tables. In those days they weren't so stringent about being 18, so I could stand in there for hours, going through all the magazines like it was a library.

That was where I first discovered *Gent*. For me it was like finding the Holy Grail. It was the mid '70's, and by then Gent had found their niche. The first "Home of the D-Cups" issue was May 1977. From then until now, it's been tits, tits and more tits.

By the middle of the 1960's *The Gent* had been simplified to *Gent*, and more photo layouts had been added, many of the shots were even in color. But more importantly, the models all possessed very full bosoms and were showing nipples. In 1969 the end of each issue had a section called "Gent's 40 Plus Club". It featured single shots of some of the bustier models. Tit momentum was building as Gent bobbled into the '70's!

All pretense was gone by the middle of the decade. The heading for

the models in the Table Of Contents was "The D-Cups" displayed proudly over 8 different busty Goddesses. With cover lines like, "Think Big With Gent's D-Cups" and "Can A Girl With Capitol Hills Become A Washington Monument?" there was no doubt that Gent had become a full-fledged big-tit smut magazine. And now, not only did we get nipples in color, but we also got... public hair. Don't forget, this was the '70's. We're not talking "landing strip" we're talking full bush! You needed a machete just to get to the pink! But for a guy like me, pink was never the issue. As you know, with me, it's all about the tits!

Boobs got real names and became celebrities in the '80's. The models were no longer generic filler like Cindy, Susie and Karen they were now Candy Samples, Kitten Natividad, Ushi Digard and Chesty Morgan, to name a few. Nude modeling was becoming a little bit less underground and these girls were proud of what they had to display.

If the early 1990's implants were becoming the norm. As the mid-point of the decade approached, "Home of the D-Cups" had been left in the dust. Wendy Whoppers, Pandora Peaks, Tiffany Towers and dozens more had augmented their incredible mams, to much further up the alphabet. Crystal Storm claimed a mind-blowing 101-24-36 inch figure! There was a doctor in Texas who was turning out new super-titters every week. I was in his office in 1992 and he showed me drawers full of magazines that featured all his tits. He was "The Man".

As we moved into the new century, the FDA decided that they knew best what a girl should do with her breasts, so it became virtually impossible for them to get the extreme implants. As the "freak-tit" girls from the '90's retire, they aren't being replaced, so we have moved into the next cycle of boobs. Today's fake-tit chicks can't be much larger than a DDD, so we have moved back somewhat to the more natural models.

Gent has changed with the times. We make no bones about the fact that we are an adult smut magazine. In fact, we revel in the fact that we are the worlds raunchiest big-tit magazine. The issue that you hold in your hands is 100% hardcore. There are 33 huge-hootered harlots fucking, sucking, eating pussy, licking nipples, tonguing ass-holes and just generally being the dirty sluts that we love and appreciate! This double-issue is our gift to you. We're glad you've joined us to celebrate our 50th Anniversary! Here's to 50 more!

It's All About The Tits... and the pussy and the ass-hole and the blowjob and the anal-sex and the double team and the girl/girl and the titty-fuck!

SEX SECRET REVEALED!

HOLY SHIT!
3 Times in One Night?!

"His cock was so completely HARD & BIG. And his staying power was INSANE."

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it – "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again .

FROM BAD TO GOOD TO VERY BAD!
When this big-boobed babe's date never showed up she turned a disappointment into a night filled with her hottest sex ever!

How much do I hate blind dates? Let's just put it this way, I hate them that much more when the asshole doesn't even bother to show up. But they can be fun when the people who set you up with the no-show can make you cum until you're drained! But now, I'm getting ahead of myself.

I hadn't had a date in a few months and my girlfriend said she thought one of her boyfriend's buddies would be fun to go out with. She set up the date and I met Kristine and Nick at their apartment for a couple of drinks before we all drove to the dance club. Kristine is a beautiful blonde who I've known since college days. Her legs are her best feature—seemingly endless slim, yet shapely stems that end topped with a beautiful ass that is a magnet for men's eyes. She and I had many great erotic experiences together, and I think it's only fair to confess here that we are not strangers to each other's pussies, either. We'd been around that block a few times together, but then settled down to a more conventional friendship once she met Nick. We chatted and gossiped on the way to the club, and Nick and Kristine told me a little about his friend, Joe.

He seemed like a nice enough guy from what they told me. But as the hours rolled by and the drinks flowed, it became apparent that Joe was going to be a no show for our date. Nick was endearingly embarrassed and commented on how he planned to make Joe kick himself in the ass for having "blown a chance of a lifetime with a beautiful, hot babe." This comment, coming from Nick was truly a compliment as he was a very attractive, successful photographer who had always seemed nonplussed by the beauties he worked with every day. Nick was well over six feet tall with piercing blue eyes and striking dark looks that had always appealed to me.

As we danced, Kristine and I would revert back into our former sex-crazed selves on occasion and let our hands wander over each others' bodies. At one point when we were dancing, I could feel the palms of her hands graze the nipples of my large supple tits. I caught a glance of Nick sitting at the bar watching us and he had a very sexy and sly smile on his face. I could almost imagine the outline of an engorged cock as he sat there watching his girlfriend and I dance together.

When we left the club at around two in the morning, the skies had opened up and it was absolutely pouring out. Since it was very late and I had been drinking, Kristine insisted I spend the night at their apartment and not drive and I agreed. The two of us somehow wound up in the back of their car, while Nick played chauffeur. When Nick asked Kristine to "show him something," she knew exactly what he was talking about and giggled.

Spreading her bare thighs slightly, she flashed Nick a piece of her quim while I laughed. Kristine then nudged me and whispered, "Let's have some fun tonight." I was very horny after our "date," and feeling brazen, I seductively called Nick's attention to the back seat. I pulled up my thin top and gave Nick an eyeful of my big titties. Good thing he was stopped at a red light and there wasn't much traffic out at that hour because otherwise, that

could have been one messy accident! Then Kristine held my hand and guided it between her legs. "Feel how wet I am," she seductively said.

I pushed her panties aside and my fingers grazed the outline of her swollen clit. She moaned, and once again Nick's eyes were on us. I began massaging her love button and slipped a digit into her soaking snatch. Finally, we turned a corner and we were at their apartment.

My "dates" were very attentive as we walked into their apartment. Kristine and I started making out on the large sofa as Nick sat down, finally able to comfortably take in the show. I was impressed as he released his thick snake from the confines of his jeans and began stroking his rod. Within seconds, my skirt was on the floor, and I was now down to thigh high stockings and a thong. Kristine was massaging my breasts and gently pulling on my hard nipples as I returned the same favor to her. Every nerve ending in my cunt was alive as I imagined finally having contact with Nick's delicious hard-on, which was next on the agenda.

Kristine asked Nick if he needed some attention as well, and he let a low moan and a "yes" escape his lips. She and I moved the short distance to her man's cock, and we began running our tongues and lips down his neck, over his chest and abs, trailing our way toward his pulsing flesh probe. I ran my tongue up and down Nick's sweet meat, while Kristine massaged his balls with her wet tongue. We took turns applying our talents to his cock and balls and it was Kristine who received the first full load of jism down her throat.

After Nick recovered a bit from watching Kristine and I fool around we moved our action to the bedroom. Laying down on their large bed, both Nick and Kristine began working over my body. Kristine and I made out while Nick licked his way up my legs. He nibbled his way between my thighs and when his tongue hit my snatch, my little red love button tingled with girl juice. He flicked his expert tongue over my clit as Kristine sucked my tits, and when I came it was a hard, fast, exploding orgasm that caused me to scream in delight.

Nick gently maneuvered me over on my belly. This time it was Kristine's turn to feel my lips suck on her slit as her boyfriend pushed the head of his swollen cock back and forth over my slick holes—slowly teasing me with his dick until I begged him to fuck me. Finally, I felt his hardness push into my slippery wet beaver and my licking of Kristine's pussy sped up as the three of us rode our ways into a simultaneous orgasm. I felt myself coming again as Kristine's clit hardened under my flickering and Nick moaned loudly and released another load of jam over my jutting ass.

We were unstoppable when we all recovered and Nick laid back while his girlfriend climbed aboard his ever hardening pole for a ride. I positioned my steamy snatch over Nick's face and he licked and sucked my cunt as I played with Kristine's titties again. We came together about two more times after that scene and worked our way through as many erotic positions and scenarios as possible before we finally collapsed in an exhausted heap of happy flesh.
